THE CARPEY CHRONICLE
THE Information Resource For Accident Victims In Pennsylvania

HAPPY 2021 NEW YEAR

A REMINDER FOR THE NEW YEAR: WE’RE HERE TO HELP

We get asked all the time by callers which situations Carpey Law can help with. Although we handle a variety of personal injury cases, here are a few of the things we can help you with:

Car Accidents
Were you or someone you know recently involved in a car accident and the insurance company told you something along the lines of “you don’t have a claim” or “we can’t help you unless you do the following by this date”? BE ADVISED: these are standard scare tactics that insurance companies use all of the time. If an insurance company is giving you the run around, you should consult a lawyer.

Motorcycle Accidents
Motorcycle accident victims can suffer very serious and sometimes life-threatening injuries in motorcycle crashes. Unlike in car accident cases, your own insurance company will not pay any of your medical bills. Talk to us to find out how and why you are entitled to payment of medical bills, and compensation for your injuries.

Slip and Fall Accidents
Although we had some days that felt like Spring this past December, we expect some colder days to come our way and with the cold weather comes dangerous ice and snow conditions. Be careful this winter but if you fall due to lack of snow or ice removal, contact our office to find out if you can be compensated for your injuries.

So, give us a call! If you ever need us, you have an experienced legal team standing by to answer your questions and guide you through the process.

Bringing In The Experts

In the course of litigation, opposing insurance companies and their lawyers attempt to discredit our client’s injuries or what our client says about how the accident happened. It happens all the time. Their job is to diminish the value of our client’s case. How do we combat that?

We not only do an exhaustive investigation, (for example, getting witness statements, photographs of the scene, medical reports on the injuries sustained), but in many cases we get specific experts to respond in writing to what the opposing side is trying to say about our client’s case.

Here’s an example. We recently settled a case for policy limits of $50,000 where our client sustained a back injury. It was a rear end car accident case. Our client went to the emergency room, saw his doctor and was referred for a course of physical therapy. The case was litigated for over two years. Allstate Insurance Company insured the at fault driver. Allstate offered money to settle the case, but nowhere near the policy limits. Through the excellent efforts of our team, we were able to get our client seen by an orthopedic surgeon, and he wrote an expert narrative report outlining exactly what injuries our client sustained, what pain he could expect in the near term and long term future, and what treatment would be required going forward. Upon receiving the report, Allstate tendered their policy limits.

In addition we were able to use that same report to get more compensation for our client through his own insurance company since he purchased Underinsured Motorist coverage on his own auto insurance policy.

LAURA CARPEY’S RECIPE OF THE MONTH

Classic Chicken Pot Pie

INGREDIENTS:
- 1 box Pillsbury™ refrigerated pie crusts, softened as directed on box
- 1/3 cup butter or margarine
- 1/3 cup chopped onion
- 1/3 cup all-purpose flour
- 1/2 teaspoon salt
- 1/4 teaspoon pepper
- 1 3/4 cups Progresso™ chicken broth (from 32-oz carton)
- 1/2 cup milk
- 2 1/2 cups shredded cooked chicken or turkey
- 2 cups frozen mixed vegetables, thawed

DIRECTIONS:
1. Heat oven to 425°F. Prepare pie crusts as directed on box for Two-Crust Pie using 9-inch glass pie pan.
2. In 2-quart saucepan, melt butter over medium heat. Add onion; cook 2 minutes, stirring frequently, until tender. Stir in flour, salt and pepper until well blended. Gradually stir in broth and milk, cooking and stirring until bubbly and thickened.
4. Bake 30 to 40 minutes or until crust is golden brown. During last 15 to 20 minutes of baking, cover crust edge with strips of foil to prevent excessive browning. Let stand 5 minutes before serving.

Disclaimer:
Any results I achieve on behalf of one client in one matter does not necessarily indicate similar results can be obtained for other clients in any other case. In addition, results in cases obtained by other law firms have no connection with cases I handle. I am a Pennsylvania personal injury and trial lawyer, not a miracle worker. I evaluate every case on its own merits. I only accept a limited number of new cases each year based upon my evaluation of the liability, damages, and other aspects of the case.

REMINDER ABOUT OUR FIRM’S COMMUNICATION POLICY

About us: We perform very high quality legal work. We are highly competent and we have a highly competent support staff, but we are not perfect. We can make mistakes. We will correct a mistake if we find it or if you point it out.

It is our policy to return phone calls in the order they are received and based on the priority of the situation. If you leave a message, your call will be returned usually within 24 hours. Some clients feel that calling multiple times in a day will get their call answered faster, but that is not the case. Email is the quickest way to get a response from anyone in the office. We work by appointment only. Without an appointment, it is unlikely Mr. Carpey would be able to meet with you.

Please utilize our support staff to answer your questions and to give you status reports. Our legal assistants and paralegals are very experienced and will often be able to respond to your requests.
