! **STUART'S ADVICE**

There's nothing worse than not having enough medical evidence to prove your injuries in a personal injury case. What can you do to help your case?

In order to prove injuries related to a personal injury claim, not only do you have to prove that a negligent act caused your injuries but you must also prove that you suffered a real injury as a result of someone else's negligence. The only way to do this is through medical documentation.

It is extremely important that injury victims follow up with their family doctor or another doctor after an accident and closely follow the treatment regimen recommended by the doctor. Without proper medical documentation from your doctors, you will lack the evidence needed in order to prove your personal injury claim.

The Best Ginger Lemonade Drink

INGREDIENTS

- Fresh Peeled and Chopped Ginger (1 piece)
- 1 cup/240ml freshly squeezed lemons (5 Lemons)
- 5 cups Cold Water
- 1/2 cup of sugar
- Ice for serving
- Sliced lemons and mint for garnish (optional)

INSTRUCTIONS

1. Peel and chop the ginger then transfer to the food processor or blender with a cup of water. It doesn't have to be smooth. Then transfer to a

sieve to remove the chunks catching the liquid from the ginger.

2. Add the freshly squeezed lemon juice to a large pitcher with a cup of ice. Add 3 cups of cold water and the ginger juice. Depending on how sweet you like your lemonade you can adjust the water by adding more or less.

3. Dissolve the sugar into a one cup of hot water and pour into pitcher which should contain the lemon juice and ginger juice mix.

4. Stir and Refrigerate until ready to serve
5. Pour lemonade over ice filled glasses

Disclaimer:

Any results I achieve on behalf of one client in one matter does not necessarily indicate similar results can be obtained for other clients in any other case. In addition, results in cases obtained by other law firms have no connection with cases I handle. I am a Pennsylvania personal injury and trial lawyer, not a miracle worker. I evaluate every case on its own merits. I only accept a limited number of new cases each year based upon my evaluation of the liability, damages, and other aspects of the case.
